Welcome to our new brochure detailing the Herok range for 2016 and beyond.

Our range includes: book displays and shelving, CD, DVD, video and audio cassette displays, spinners, reading corners, shelving, book trolleys, tables, carrels, workstations and listening stations for libraries and children's libraries.

Herok is an independent, privately owned company, producing innovative products for the library and education markets. Our library furniture has become industry standard including our Kinderboxes, Tortuga shelving ranges, Book Trolleys and Periodical Display Units.

This brochure is provided for the convenience of our customers and business partners. In order to ensure it can be emailed and downloaded across slower Internet connections the pictures have been intentionally compressed in quality. Please do not hesitate to contact us for further information.
